

Cómo crear un usuario en Oracle

1. Ingrese a <https://academy.oracle.com/en/oa-web-overview.html>
2. Coloque el cursor sobre “Membership”; se deslizará un menú, haga clic en “Join Oracle Academy”

3. De click en “I Do Not Have an Oracle Account” y posteriormente en “Create Your Oracle Account and Register for Membership”

Step 1: Create Your Oracle Account

You will use your Oracle account to register for membership and access your membership benefits.

[▶ I Already Have an Oracle Account](#)

[▼ I Do Not Have an Oracle Account](#)

This link will take you to the Oracle Account Creation form. Once you have completed the form, you will be directed to the Oracle Academy Membership Registration process. Choose your desired member type in Step 2 for detailed instructions. This link opens in a new tab/window, so you may refer back to this page.

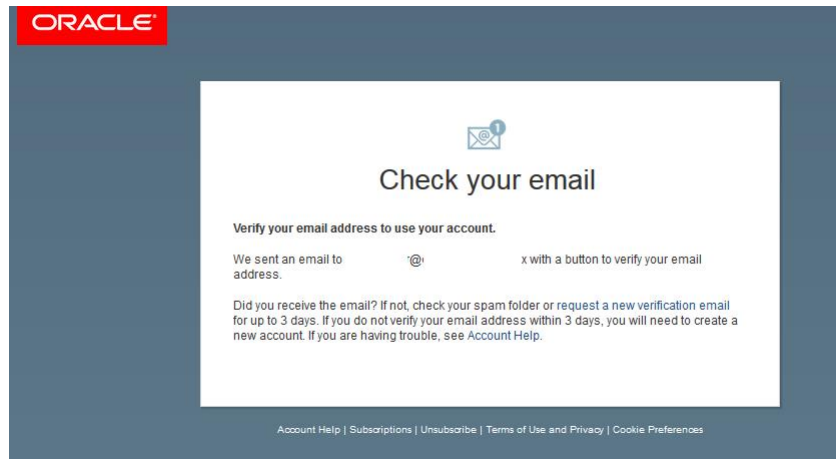

4. Complete todos los campos y de clic en “Create Account”.

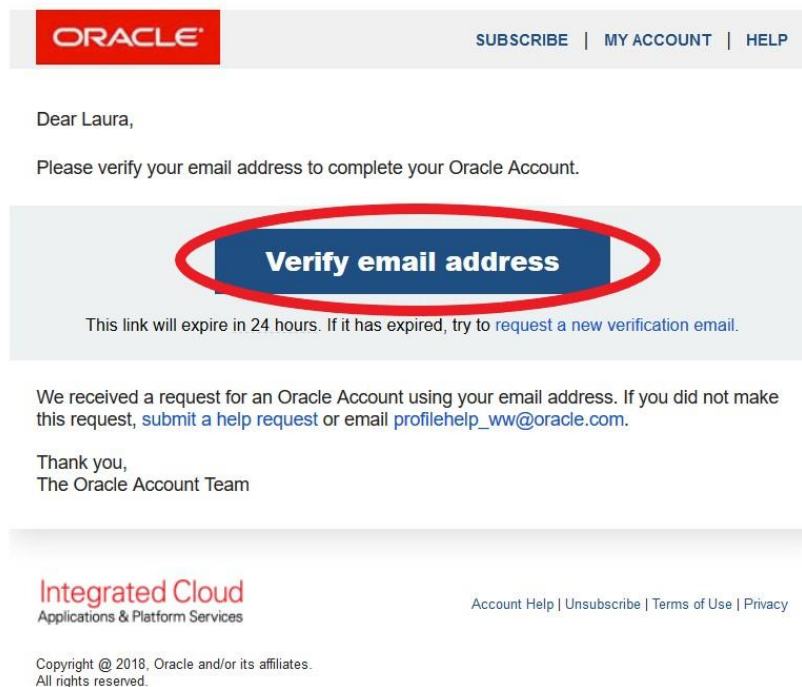

The screenshot shows the Oracle Academy registration page. At the top, there is the Oracle Academy logo. Below it, the heading 'Create your Oracle Account' is centered, followed by a link 'Already have an Oracle Account? Sign In'. The form contains several input fields with red asterisks indicating they are required:

- Email Address: A text input field with a note: 'Your email address is your username.'
- Password: A text input field with a note: 'Passwords must have upper and lower case letters, at least 1 number, not match any part of your email, and be at least 8 characters long.'
- Retype password: A text input field.
- Country: A dropdown menu with 'Mexico' selected and a green checkmark to its right.
- Name: Two text input fields labeled 'First or Given Name' and 'Last Name'.
- Job Title: A text input field.
- Work Phone: A text input field with the example 'e.g. +52.55.9178.3000'.
- Company Name: A text input field.
- Address: A text input field.
- City: A text input field.
- State/Province: A dropdown menu with '-Select-' selected.
- ZIP/Postal Code: A text input field.

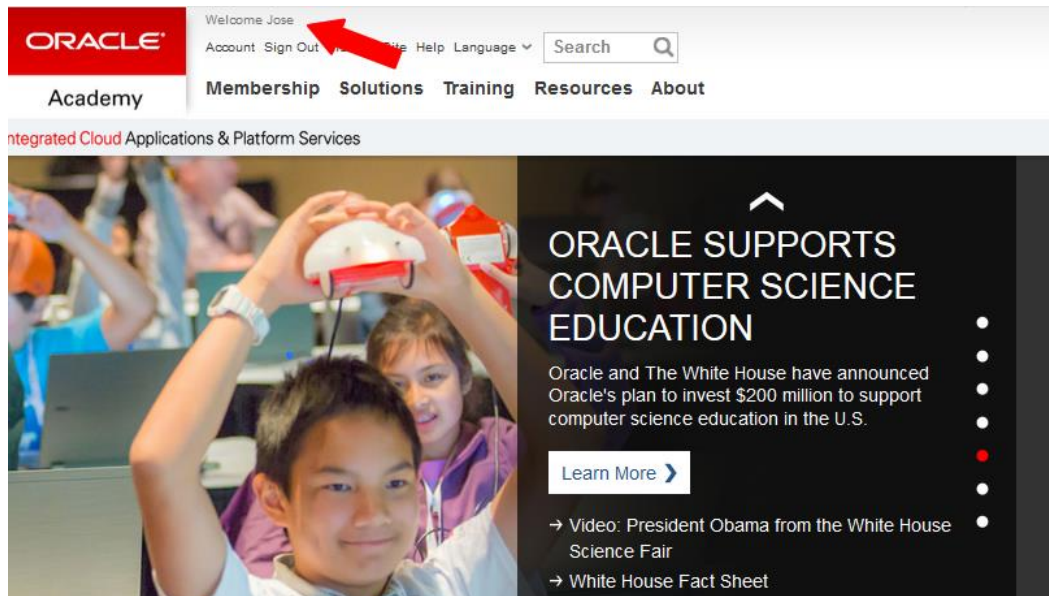

5. Ha creado su usuario en Oracle Store, aun no se registra como profesor o alumno en Oracle Academy , el proceso continua ...

6. En el correo que registró, encontrará un mail de bienvenida, abrirlo y dar click en “Verify Email Address”. **Tome en cuenta que de no verificar la cuenta esta solicitud vencerá en 24 horas después de hacer el registro y tendrá que repetir el proceso.**

7. Usted podrá verificar si está dentro de su cuenta visualizando su nombre en la parte superior del portal, ingresando de nuevo a <https://academy.oracle.com/en/oa-web-overview.html>

8. Para continuar con los procesos de registro en ***Oracle Academy*** debe continuar con el manual correspondiente, esto dependerá de su rol dentro de la institución educativa; Administrador, Docente o Alumno.
